

Family-run and homegrown, Oil Salvage Ltd is the largest waste oil facility in the UK boasting over 25,000 tonnes of storage.

We provide our customers with a one-stop shop for all their garage waste disposal needs. With our state-of-the-art on-site oil re-refinery here in Liverpool, we offer a greener vision for all your waste oils, and a greener vision for our future.

Our Aims

Our aims are:

- Create a safe workplace for all our employees, contractors and visitors.
 - Create a psychologically safe environment where employees can report issues without fear of reprisal.
 - Cause no harm to people.
 - Enhancement of the communities and environment in which we work.
 - To comply with all relevant health and safety legislation, regulations and industry standards.
- Continual Improvement beyond legal compliance

Health And Safety Policy Statement

Oil Salvage Ltd recognise their duties under the HSAWA 1974, the Management of Health and Safety at work Regulations 1999 and other relevant legislation.

Oil Salvage Ltd’s directors acknowledge their responsibility to ensure all reasonable control measures are taken to prevent harm to any persons that may be affected by the operation of the business.

Our Objectives

- Continue to support and develop our people within a culture of ownership and responsibility.
- To consult with our employees, contractors and customers to identify and continuously reduce the risks to those affected by our activities.
- Commit to continual improvement in Health and Safety performance to improve standards.
- Open and timely monitoring, measuring and reporting of our objectives, targets and performance.
- To provide clean and tidy welfare facilities for all employees with suitable amenities.
- To identify, assess, and manage health and safety risks associated with our operations.
- To provide appropriate training, resources, and support to ensure a safe working environment

Mitch Vernon
 Health & Safety Director
 Oil Salvage Ltd 12th June 2024

“I and the other directors of Oil Salvage Ltd are wholly committed to these aims and objectives and will ensure adequate resources are made available to implement and review this policy.”
